EDUCATION

B.Eng. in Electrical Engineering -
Computers and Control Department

Higher Institute of Engineering and
Technology in Kafr El Sheikh.

Very Good with Honors

Sep 2018 – Jul 2022

SUMMARY:

I am a junior Full-Stack Developer with a solid background in computer engineering, recently graduated from the Higher Institute of Engineering and Technology in Kafr El Sheikh.

I am seeking an internship opportunity as a Front-End Developer.

I specialize in creating responsive web interfaces using modern front-end technologies including HTML, CSS, SASS, Bootstrap, JavaScript, Vue.js, and jQuery.

I also have experience with back-end technologies such as PHP and MySQL, enabling me to handle full-stack development tasks when needed.

Experience:

Freelance Web Developer, Electrical Device Control Specialist, and 2D CNC Laser Designer.

Jul 2024 – present

Working in Officer Affairs in the National Service Projects Agency of the Egyptian Armed Forces as a national service.

Oct 2023 to Jul 2024

Student at the Reserve Officers College.

May 2022 to Sep 2023

CNC laser designer

Jul 2022 to April 2023

Graduation project:

Smart university: Access control system - Smart curtains - Smart lighting - Smart parking - Solar energy - Fire alarm system - Smart basket by web application (using firebase).

Jul 2022
